

# Manage your Profile

## How do I manage my Doobert profile effectively?

### Quick overview

- 🐾 You control how you want to volunteer
- 🐾 Everything is opt-in, so you get to see the specifics before committing
- 🐾 Please be sure to follow through with your commitments. Remember: other volunteers, the rescues/shelters, AND the animals are counting on you!

### For Drivers and Pilots:

#### Profile details:

- 🐾 Days of availability
- 🐾 Distance you are willing to travel
- 🐾 Vehicle/Airplane type

#### Your radius:

- 🐾 Your radius is designed to determine if a transport fits to your criteria or not
- 🐾 Your radius is a circle drawn around your zip code, with the radius being the distance you specified
- 🐾 We then know whether or not to notify you
