

User Privacy

How do I set my profile privacy settings?

Steps:

1. After logging in, click “Profile Privacy Setting” under your “My Account”
 2. Choose which information is shared with organizations and other users
 3. Uncheck any information you don’t want shared on your public profile
 4. Only the information you choose is shown
 5. Your profile can be completely private if desired.
- Then, your information will only be shown if you choose to join a transport

Need help? Have questions?

- Use the “Help/Support” tab in the bottom right corner
- Email us at support@doobert.com
- Leave a voicemail at (262) 456-3344

Remember: we’re volunteers too, but we’ll get back to you as soon as possible!
